A testimony to God's protection of Daniel Oswald and Sharon Rose

This is a testimony to God's goodness and mercy in protecting us from a very fatal accident.

After the Lord gave us a very successful pastors conference in Kurnool, we have returned to Hyderabad.

On the next day in the evening of 14th December 2018, I and Sharon were driving from Hyderabad to Rajahmundry. This accident happened at Vijayawada at 00.40 Hrs of 15th December after midnight.

It was dark, and the road seemed to go straight but there was a sharp curve in the road. Since, there were no signs posts and I was travelling this route for the 1st time, I realised the bend in the road a bit late, when I took a sharp turn the car landed on its side in a big ditch by the road.

Since it was dark and water was seeping into the car, we thought we fell into a big water body and will sink eventually. We landed on the side of the car where Sharon was seated Sharon's side of the door was on the floor of the ditch and the water was filling up, while the door on my side was on the top. I opened the driver's door into the dark sky against gravity and was shouting for help, few vehicles passed by without noticing us. Finally, a truck driver noticed and came to our help and held the door of the car and I and Sharon could climb up the car and jump to safety. Within 5 seconds of our jumping to safety the car broke out into flames and into towering inferno and was totally consumed.

We were saved by the Lord from sure death. If people did not notice us, or we somehow delayed for at least 5 more seconds we would be engulfed by the fire. We thank the Lord Jesus for saving us from death and without a single scratch on either of us. We have lost all the other valuables like, Laptop, Projector, Bibles, clothes, wallet, cell phones and other personal items to the fire, but the Lord spared our lives.

The following Sunday the Lord has used me in the same city where the accident has taken place to preach a very clear message of God's grace and love through 2 sermons. After the Church service we shared the testimony of how God saved us from this horrific accident and the whole Church rejoiced in His mercy and protection given to us.

Please pray that we as a family might realise the purpose of God for which he has spared us and by His grace not waste our precious lives by doing any other thing than what God saved us for.

We appreciate your constant prayers and support.

In Christ,

Daniel Oswald & Sharon Rose

Pastors Conference at Anakapalli Vishakaptnam District.

19th & 20th November, 2018.

There were 53 Pastors who attended the 2 day conference besides the ladies. As almost always, even these pastors who were new to our conference believed...

a. Belief in Jesus Christ + Faithfulness to Him = Salvation from Hell.

Now most of these pastors have huge ministries. But, after a lot of interaction and questioning finally by God's grace they understood the Grace of God in the Gospel. The Lord was greatly magnified and glorified by all the attendees when they understood the plan of salvation of God. It was not as complicated as they made it to appear.

The True Gospel : Is very simple according to 2 Cor 5:21

The promise is, just as our Sin was counted as though it belonged to Jesus even though He never committed any sin, Even so, God's promise in the Gospel is, that the Righteousness of Jesus will be counted as the believer's Righteousness even though we never did it. We will

be blessed with heaven for the gift of Righteousness received by faith.

Romans 5:17 - For if by the one man's offense death reigned through the one, much more those who receive abundance of grace and of the gift of righteousness will reign in life through the One, Jesus Christ.

The pastors and all the people in the room were immediately assured of their salvation the moment they understood this true Gospel.

There are many personal testimonies of how wonderfully this conference has changed their understanding of the true gospel.

Pastors Conference at Anakapalli

Pastors Conference at Godavarikhani, Peddapalli District.

22nd & 23rd October, 2018.

There were 18 Pastors who attended this 2 day conference, as usual they believed salvation could be lost, it was a great struggle for them to come to grips with the free gift of Righteousness. At the end of the conference every pastor and lady that attended rejoiced in the gospel except one pastor. This one pastor who understood the true gospel after he attended the conference said to me...

The Pastor: "You made it is easy for anyone to get saved",

Daniel: "Not me, God made it is easy for anyone to get saved, because with men it is impossible"

The Pastor: "I don't like it, because it is simple"

Daniel: "If you don't like God's way to save you, tell me if you have any other way to save yourself?"

The Pastor: "I don't have any other way, but I don't like this simple way"

I said to the pastor "you are too proud to receive God's gift, but God has designed salvation in such a way that no flesh can glory in His presence".

While there are many pastors who don't understand the Gospel, there are some who understand it clearly but refuse it because they are proud and feel that they are custodians of good Moral behaviour.

Pastors Conference at Godavarikhani

Pastors Conference at Nannur, Kurnool District.

29th to 31st October, 2018.

There were 25 Pastors who attended this 3 day conference and have greatly rejoiced in understanding the Gospel for the first time.

It is my understanding that those who believe that salvation could be lost do not have a clear understanding of the Gospel, but when they understand the Gospel clearly, they also understand that their salvation is eternal.

Pastors Conference at Nannur, Kurnool District.

10th to 12st December, 2018.

There were 32 Pastors who attended this 3 day conference and 25 of them were attending Crossworld Ministries conference for the first time. Based upon the Christ + works salvation they all confessed to have preached, they were not sure if they could stay saved till the end.

But, after a clear understanding of the Gospel they have greatly rejoiced in the eternal salvation that could not be lost, and vowed to preach the gospel of His grace and liberate all who hear them from the fear of Eternal Death.
